

Taylor YMCA Day Camp

The YMCA provides children with summer adventures that promote a healthy spirit, mind and body. Children will spend their time outdoors as experienced staff lead campers in a wide variety of activities each day, including outdoor education, arts and crafts, skits and songs, sports, swimming and weekly off-site field trips. Campers are grouped with children of similar ages and placed with a counselor following American Camp Association (ACA) ratios.

We believe the most important elements of a positive day camp experience are the safety and well-being of your child. That's why our camp has the following:

- Professionally and thoroughly trained staff including CPR/First Aid, Emergency Procedures, Child Abuse Prevention Trainings and more.
- Our core values of caring, honesty, respect and responsibility.
- Recommended ACA ratios of staff to campers: age 3-5 years- 1:6 age 6-8 years-1:8, age 9-14 years-1:10.
